J. W. DILLON. and 4 Boister Block, Barre, Vt. Saratoga Convention Was Not So Had, After All.

Utica, N. Y., Sept. 30 -- Vice President lames S. Sherman in speaking of the Republican state convention said:-

SHERMAN ACCEPTS RESULT.

"I am entirely content with the result of the Saratoga convention. The plat- that village. form is exceptionally clear and forceful, save only in reference to direct nominations. In that regard it requires explanation of its meaning, and explanations will differ.

"I preferred the minority plank, which jaw bone. was clear and unequivocal in declaration. it called for a continuance of major onventions, with representatives therein thesen directly by the people. I have always favored that course, and as far back as 1884, in this congressional distriet, succeeded in having that plan

I regret to say it was thereafter abandoned. All this, however, relates to

"The ticket named is most excellent. Of course the convention was absolutely dominated by one man and its every action was taken at his bidding. That, gressive farmers put on top-dressing im-mediately after having, with perhaps a not basic. I accept the result complaticket nominated."

SLEEVES FOUR FEET LONG.

traordinary Decrees.

Fashions in women's sleeves have been gan to increase in length. By degrees the sleeves, especially of young ladies, have extended till now they are from three to four feet. This style, known as furisode, became very fashionable The width of the obl has also varied, at first from two and a half to three

On account of poor health, I am fashions in sleeves and mashes originated velop. obliged to give up farming and will among the common people and from them were finally adopted by upper them were finally adopted by upper them were finally adopted by upper classes. The young samural ladies were has a quantity of cotton plants in his the first to follow the popular styles in this respect and the higher classes he-gan to follow suit, until now these fash-arong the

ons prevail everywhere. It is only from about the middle of on the premises where I now live, for-merly known as the Albert Newton of the seventeenth century that the women which, however, it is not expected will merly known as the Albert Newton of the lower classes began to wear the mature. farm, situated one-half mile from West long haori, or overcoat, at present so high. When Decorating a House Remember That

Red and green are extremely difficult to use together. Very dark woodwork needs strong

colors in the draperies. Pale yellow is good for a dark room, having a sunny quality. Most colors go on stronger and dark-

er than they show in the sample. There should be variety in the furniture coverings. Otherwise the room will be tiresome. In a small house, keep to one tone, account, only for the reason above stateven to the extent of using the same Sale positive, without reserve or paper in every room on the floor.

White and gray walls are growing in favor and make the best background for pictures and ornaments. Red is a masterful color and disturbing to sensitive people. It is better used in the carpets and the draperies

It Saved His Leg.

"All thought I'd lose my leg," writes J. A. Swenson of Watertown, Wis. "Ten years of eczema, that 15 doctors could not cure, had at last laid me up. Then Bucklen's Arnica Salve cured it, sound and well." Infallible for skin eruptions, eczema, sait rheum, boils, fever sores, Red Cross Pharmacy.

MIDDLEBURY COLLEGE OUTLOOK FOUR LINES FOR 25 CENTS

Middlelmry, Sept. 30.—President Thomas has issued a report of the accord year of his administration of Middiebury college. It shows expenditures for the work of the college of 854,754, as against \$36,197 last year. This large imrease has been met by gain

Some over 150 hunters' licenses have the decessity of expansion of the colnaequate, and in view of the stendy growth of the last seven years, toe sitution is serious. There are not suf-September 21, Arthur Radway eaught Seint recitation rooms and the laborfor the work the college would like to do. The report says that provision for the growth of the college which conservate foresignt indicates, should include ne buildings costing \$450.000, and an eqal sum for endowment. During the just year a start has been made to-wid this expansion by the raising of \$5,000 for a gymnasium as the con-dional grant of the general equation bird of \$50,000, towards a total fund of \$200,000 including the gymnasium fed. It is hoped to erect the gym-

lel course extending through the four yars has been arranged, in addition several elective studies in education ich are open to all students. President Thomas says that the or-

nization of the department has proved flarger benefit to the college than was dicipated when the legislature of 1908 sablished It. As to the future prospects of the olege, President Thomas is optimistic.

He myst The outlook for Middlebury is decidedly encouraging. The responses of the alumni and of many friends to our recent appeals, coming so soon after with thoughful individuals who have not the time nor the facilities for comparative estimate of the claims of educational and other philanthropic institutions. Our needs are many and great, and the work which confronts us, with our lack of facilities and accommodations, constitutes a serious situation, but the difficulties arise from our success, and there is every reason to hope that the success of the past insures yet more notable progress in the future."
